The Exchange Service Outlet was built in 1944 of "mobilization" "semi-permanent" type construction. The building consists of 1,200 square feet with dimensions of 20 feet by 60 feet. The building space was broken down into a 710 square foot Exchange Retail Warehouse and a 490 square foot Exchange Service Outlet.

The building is constructed of a concrete foundation, wood floor, wood walls, and a composition shingles roof. The building appears to be structurally sound.
